**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR 1.97**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

In compliance with the duty of disclosure and candor 37 C.F.R. 1.56 (a), the undersigned representative submits with this paper patents, patent applications, publications, and other materials and information that may be material to the examination of the above noted patent application.

☒ The Examiner's attention is specifically brought to printed information has been listed on enclosed PTO FORM 1449 of which there are seven pages. A copy of each listed item is also enclosed.

The undersigned representative requests that an initialed copy of the enclosed FORM 1449 be entered into the application file wrapper and returned to the undersigned with the next communication from the Office.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search of the prior art has been made, or an admission that the information cited is or is considered to be, material to the patentability, or that no other material information exists. The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. [37 C.F.R. 1.97(g)]

The submission of this Information Disclosure Statement is believed to be within three months of the filing date of the application or the date of entry into the national stage of an international application or before the mailing date of a first Office Action on the merits, whichever occurs last. [37 C.F.R. 1.97(b)]

If for some reason a first Office Action has issued on the above application, the undersigned representative requests that this Information Disclosure Statement be accepted under 37 CFR 1.97(c)(2). The undersigned authorizes the charging of the fee due as set forth in 37 CFR 1.17(p) to Deposit Account 01-2508, referencing Order No. 11084.0015.CNUS02.

The undersigned representative requests any extension of time that may be deemed necessary to further the prosecution of this application.

The undersigned representative authorizes the Commissioner to charge any additional fees under 37 C.F.R. 1.16 or 1.17 that may be required, or credit any overpayment, to Deposit Account No. 01-2508, referencing Order No. 11084.0015.CNUS02.

In order to facilitate the resolution of any issues or questions presented by this paper, the Examiner should directly contact the undersigned by phone to further the discussion.
